Lending a Helping Hand

The funds in your HFCU accounts are federally insured by NCUA
up to \$250,000 per depositor and account type.

Important: Storing money in your home comes with risks of loss that will not be insured and could prevent you from paying essential bills.

Members can skip up to 6 payments on the following:

- Home Equity Term*
- Home Equity Line*
- Signature Term
- Signature Line
- Indirect Auto
- Direct Auto
- Credit Cards
- RV/Collateral Loans

Members have the option of interest-only payments during these 6 months!

Note: Similar to our current “skip a payment” program, interest will accrue but term of the loan will be extended by the number of payments skipped.

****Forbearance will result in a larger final payment and/or increased monthly payments.***

Members with HFCU credit cards can have the limit increased by \$1000 with no underwriting required.

Members can receive a \$1,000 credit card with payments skipped up to 6 months.
